## TORTUE HAMBURG

At TORTUE, another world awaits you, wherever you turn. A new kind of sanctuary, a superior private room, a living room, or even a hideout. Not to mention our bars, restaurants, brasseries and lounges. And the leisure to make use of it all for countless opportunities and singular surprises. Our house appeals to your curiosity. Pro bonum contra indifferentum. Put yourself in new contexts. Define yourself — present-day classic or reliably modern? The air is rife with potential. And above all, don't forget to use the hotel as a hotel. A place for your inner excursions. A house of lasting impressions, better than imagined.

Is the TORTUE a hotel? Not at all! It is the world en, a refuge, a home, an escape, a private room, a living room, it is theater, a cat-walk, a big opera. It's name stands for the world famous „Savoir-vivre“ – the delightful art of living to never hurry. It reminds us to take our time. Especially when we don't have time. Because hustle and enjoyment are mutually exclusive.
